

Weekly Progress Report (<Week 1>)

<Team No. 509>

Sprint Review:

Status of the current sprint

User Story ID/ Item No.	Story Points	User Story Link	Owner	Status	Remarks
N/A					

Individual Contributions:

Ari: Showed up to Tuesday meeting, set up text communications, worked on user stories

Minh: Showed up to Tuesday meeting, worked on user stories

Nhan: Showed up to Tuesday meeting, set up Discord and Google Drive, worked on user stories

Nikolas: Showed up to Tuesday meeting, worked on user stories

Sprint Retrospective:

What went well in the previous sprint?

- We established communications, got to know each other and began work.

What obstacles were encountered in the previous sprint?

- None so far

What can we improve in the next sprint?

- N/A

Sprint Planning:

Plan for the next sprint

- We plan on finishing user stories before our next meeting, where we'll work on UML and class/interface structure, then delegate each person to work on one feature for UI prototypes.
